

Shasta Regional  
COMMUNITY FOUNDATION

As we all work through these challenging times, please rest assured the team at the Community Foundation is working remotely to address the needs of our communities.

Things to know about the Community Foundation at this time:

- **Scholarships:**
  - Applications will continue to be processed and awards will be announced as timely as possible. Any in-person interviews will not be conducted.
  
- **Grants:**
  - Grant cycles and deadlines will proceed as normal at this time. Please check back as we will be posting updates as this is a fluid situation.
  
- **COVID-19 Relief Fund:**
  - This fund was established to address the needs of our region's most vulnerable residents who will be impacted by the Coronavirus.
  - Rapid relief grants will be made to nonprofit agencies that are providing direct aid to impacted individuals and families in Shasta, Siskiyou and Tehama counties as donations are received. Foundation leaders will be closely monitoring how the Coronavirus impacts our communities and will quickly deploy resources to best meet evolving needs.

- **Office Operations:**
  - The Community Foundation office is currently closed.
  - Staff is working modified work days from home with access to email. Please send all inquiries to [info@shastarcf.org](mailto:info@shastarcf.org) or to specific staff members and we will respond as time allows.

During these extraordinary times, we wish you all safety and good health.

All the best,

Kerry Caranci  
Chief Executive Officer
