

## Community Disaster Relief Fund Disbursement Report

In response to the 2018 Carr Fire, the Community Disaster Relief Fund was activated by Shasta Regional Community Foundation. 100% of donated funds will be directed to Carr Fire recovery efforts, no fees will be assessed by the Community Foundation.

### Grants Distributed

Funds have been distributed from the Community Disaster Relief Fund in the form of grants to local nonprofits and government agencies. Requests were reviewed and approved by staff, a community grant review panel and approved by the Community Foundation Board of Directors. The following list reflects all distributions made to date:
