

Community Disaster Relief Fund Disbursement Report

In response to the 2018 Carr Fire, the Community Disaster Relief Fund was activated by Shasta Regional Community Foundation. 100% of donated funds will be directed to Carr Fire recovery efforts, no fees will be assessed by the Community Foundation.

Grants Distributed

Funds have been distributed from the Community Disaster Relief Fund in the form of grants to local nonprofits and government agencies. Requests were reviewed and approved by staff, a community grant review panel and approved by the Community Foundation Board of Directors. The following list reflects all distributions made to date:
