

FINAL RESULTS ARE IN!
\$872,884 was raised
at www.northstategives.org
on November 27, 2018!

**Thank you to all donors, sponsors and partners
for supporting the fundraising efforts
of 178 Nonprofits in the North State!**

Gratitude filled the room as representatives from North State Giving Tuesday's participating nonprofits gathered for a photo opportunity and to receive their checks representing donations and prize money received during this year's event.

Watch for a full report to be published in the New Year.

Your donations to wildfire relief are at work for immediate recovery relief in both Shasta and Butte counties. We have funded needs such as gas cards, power poles, Home Depot gift cards, and other items needed during the colder months.

Happy Holidays!
