## Retiring Board Members - Goodbyes With Gratitude

As the Community Foundation's fiscal year comes to a close, we wish to thank two outgoing Board Members for their service and dedication.

---

### Dorian Aiello - Aiello, Goodrich & Teuscher, CPA's

Dorian was appointed to the Board in 2009 and has served the maximum nine years in three consecutive terms. He brought his professional expertise to strategic planning, program development and financial growth during his terms of service. As a valued Professional Advisor, he remains an asset to the Community

Foundation as a resource for his clients whose goal is to leave a legacy for causes that matter to them.

---

**Jim Zauher -  
Tax Incentive Partners**

We also say goodbye to retiring Board Chair, Jim Zauher, after eight years of serving the Community Foundation. Jim's leadership helped to navigate the Board and Staff through a strategic plan update and his guidance on many organizational matters during his two-year term as Board Chair proved very valuable. We wish him all the best as he pursues the full measure of a healthy retirement.
